

Signature DJ's would like to offer you song suggestions for your upcoming party. Please keep in mind that these are only suggestions, and a *small* fraction of songs, artists and genres we have available to offer you. We will typically play approximately 15-20 songs per hour, and usually play about 8-10 fast dance songs for each 1-2 slow songs.

"I'm not really good with music...", "If I hear the song, I'd recognize it." Does this sound like you?
